

# Toshiba Tecra 8200 Battery Replacement

Written By: Sally

## INTRODUCTION

Follow these easy steps to remove the battery from Toshiba Tecra 8200.

## Step 1 — Battery

 Unplug the power cord and turn off the device to remove the battery.

- To remove the battery, flip the device, so that the bottom is facing upward.

## Step 2

- Slide the battery to the right side until you hear a click.
- Once you hear the click, the battery must be released from the compartment.
- Remove the battery carefully.

To reassemble your device, follow these instructions in reverse order.
